## Transaction fee for City Gas Distribution (CGD) Entities

---

Dear Members,

To align with the Government of India's vision of actively promoting the City Gas Distribution (CGD) segment to expand natural gas usage aiming to increase natural gas's share in the country's energy mix, IGX is revising its transaction fee for the mentioned segment.

In pursuance of the Bye laws and Market Rules of IGX and in reference to IGX Circular No. 96 dated 01.09.2023 and Circular No. 155 dated 11.12.2024, Members of the Exchange are hereby notified as under:

For trades executed in Free Market gas, the CGD companies will have to pay a transaction fee of Rs. 3 per MMBtu for their buy transactions. In case of Delivered Transaction, Rs. 2 per MMBtu would be charged separately as a delivery facilitation fee. Other terms and conditions mentioned in the Circular No. 96 and No. 155 would remain the same. This discounted fee structure shall not be applicable on transactions made by CGD entities in Ceiling Price Gas (HPHT), LDC and ssLNG.

This Circular will come into effect from the trade date 07.04.2025 and would remain effective till 31.03.2026.

Members are requested to kindly make note of all the above changes and act accordingly.
