Circular No.: IGX/MO/320/2026 October 25, 2026

Mock Trading Session - Ceiling Price Gas Contracts

(as per Phased Allocation Methodology)

Dear Members,

In pursuance to Bye-Laws and Market Rules of the Exchange, and further to Circular No. IGX/MO/319/2026 dated 24.10.2026 regarding the phased implementation of allocation in Ceiling Price Gas Contracts as per the MoPNGs OM dated 19.10.2026, the Exchange will be conducting a Mock Trading Session on the Trader Workstation (TWS) to familiarize Members with the changes incorporated pursuant thereto. Accordingly, Members are hereby notified as under –

1. Mock Trading Session: IGX will be conducting a Mock trading session on 26.10.2026 from 11:00 hrs. to 12:00 hrs. with market extension till 13:00 hrs.
2. Changes to be familiarized in the Mock Session: Pursuant to the Allocation Circular, the following changes have been incorporated in TWS and will be available for testing in the mock session:
   a) Sector Priority and Allocation: The Provisional Allocation tab for Ceiling Price contracts will reflect allocations for CNG (T)/PNG (D) Bidders computed on the methodology prior to OM dated 03.09.2026 i.e. on Buy Bid basis which is 75% of Sell Offer and on OM dated 03.09.2026 (25% of Sell Offer in Phase 1) i.e. on Net Requirement basis, as per the terms of the Allocation Circular. The Bidders will be required to submit a single bid.
   b) Entity-to-Client Code Apportionment: Where a Bidder Entity maps to multiple Client Codes (in terms of Point 3 of the Allocation Circular), the Provisional Allocation tab will display the apportionment of the Entity-level allocation amongst its respective Client Codes.
