MOCK TRADING SESSION ON IGX TRADING PLATFORM

Dear Members/ Participants,

Indian Gas Exchange Ltd. (IGX) is going to soon launch India's first automated national level trading platform which will enable efficient and competitive discovery of Gas Prices in spot and forward contracts at designated physical hubs.

Hence, in reference to above and as per the terms of the provisions of the Rules, Byelaws and Business Rules of IGX, we are pleased to announce that IGX will be conducting the First Mock Trading session of Gas Trading platform for its Participants on 20th March 2020, Friday.

The particulars of the Mock Trading are as under: -

- A. Trading Hubs for Delivery:** - Dahej and Hazira
- B. Price Discovery:** - Uniform Price, Closed, Double-sided Auction
- C. Mock Trading Timelines:** - 20th March, from 03:00 PM to 05:00 PM.
- D. Price Discovery process:-** 5.15 PM
- E. Lot Size of Orders:** - Participants can put their orders either to buy or sell in multiples of 1 lot where 1 lot=100 MMBTU.
A lot size will depend upon the duration for which the participant wants to trade. For example in case a participant is willing to buy 1000 MMBTU/Day from 1st April to 7th April 2020 then he will have to put a buy order quantity of "10" lots in his order book in Weekly Instrument "WK-DH-01/04/20-07/04/20".
Lot size shall not be allowed to be put in decimals and will be in multiples of minimum 1 (one).
- F. Order Price:** - Participants can submit their orders in the Price Unit of INR/MMBTU with a price tick of 1 INR/MMBTU. For the mock session there will be no restriction on the financial limits and all are requested to place multiple orders for the dummy clients created for the mock.
