

PRISMA and IGX Sign MoU on Gas Market Cooperation to support transparent, efficient, and sustainable gas markets

PRISMA and Indian Gas Exchange (IGX) are joining forces to foster innovation and transparency in natural gas markets, combining European and Indian expertise.

Leipzig / New Delhi, Tuesday, September 23, 2025: PRISMA European Capacity Platform GmbH (PRISMA) and Indian Gas Exchange Limited (IGX) today signed a Memorandum of Understanding (MoU) during a delegation visit to PRISMA's Leipzig headquarters. The MoU intends to build a basis for cooperation and development of modern, transparent and efficient gas markets, explore digital solutions for booking and trading gas & LNG along with exchanging knowledge and best practices.

Under the MoU, PRISMA and IGX will collaborate in areas such as:

- **Knowledge sharing and training:** joint workshops, training programs, and capacity-building initiatives for regulators, operators, and market participants.
- **Platform development:** exploring best practices in digital solutions for booking and trading of natural gas and LNG infrastructure.
- **Regulatory dialogue:** exchanging insights on regulatory frameworks to support market transparency and efficiency.

“India’s natural gas sector is at a turning point, and digital solutions will play a key role in ensuring transparent and efficient growth,” said Rajesh Kumar Mediratta, MD & CEO of IGX. “This collaboration with PRISMA will help us leverage Europe’s experience and accelerate the development of robust mechanisms for our market.”

Götz Linke, Managing Director of PRISMA, added: *“PRISMA was founded to create transparent and fair access to Europe’s energy infrastructure. We are proud to share our expertise with IGX and support India on its journey towards building a modern, competitive gas market. This partnership reflects our belief that international collaboration is vital to achieving cleaner, more efficient energy systems.”*

ABOUT PRISMA
